Spring 2022 Tree & Shrub Pick-Up

The Chisago Soil and Water Conservation District would like to let you know that this year's tree and shrub sale distribution will be a pick-up format.

We will be pre-bagging your trees and they will be available for you to pick up on Friday, April 29, 2022, between the hours of 9 a.m. and 4 p.m., or Saturday, April 30, 2022, between the hours of 8 a.m. and 12 noon, at the Almelund Threshing Grounds, 17760 St. Croix Trail, Taylors Falls, MN 55084. NOTE: this is NOT the tree barn like we have been in the past. From North Branch the location is 13 miles East on Hwy 95. Follow the enclosed map to enter and exit the site.

Pick up process:

- Enter using the West Entrance ONLY (traffic will be one-way) – Follow the signs and stay on the signed road.
- Please remain in line and stay in your vehicle on the main drive.
- Show us the enclosed paper with your order number and name.
- Open your trunk; staff will place your order in your vehicle.
- Follow the map and onsite signs to exit the Threshing Ground site; stay on the designated exit road.

If you do not pick your trees up, they will be left outside our office (38814 Third Avenue, North Branch) for you to pick up later that day. The District is NOT responsible for trees picked up after noon on April 30, 2022.

We will NOT be selling any trees or supplies at the pick-up as everything is sold out. If you have any questions, please feel free to contact Sue Humble at 651-401-3325 or 651-674-2333, or by email at humb0025@umn.edu or susan.humble@mn.nacdnet.net
